Re: MUR 5922

Dear Ms Heilizer

I have been recently retained to represent Richard Morrison III, Richard Morrison IV and the Richard Morrison Congressional Committee in MUR 5922. Two of the respondents, Richard Morrison IV and the Richard Morrison Congressional Committee, received notice of the reason to believe finding against them only this week. In order to adequately prepare a response for all the respondents, I would like to request an extension to file responses to September 5th. The additional time is necessary for me to interview my clients, gather the documentation and prepare a full response to the finding. The additional time is also necessary for me to assure that no conflict exists that would prevent my firm from jointly representing all the respondents.

From my discussions with the respondents, it is their hope that this matter can be resolved expeditiously and to that end, I would like to discuss pre-probable cause conciliation of this matter. I would like to open those discussions with you after I have become more familiar with all the facts in this matter. If the Commission is willing to engage in pre-probable cause conciliation, please let me know.

I appreciate the Commission's consideration of this request.

Very truly yours,

Karl J. Sandstrom
